Kirkwoods Want Game With Grands.

King an Easy Proposition—Local Sporting News.

Akron athletes will give Frank Davey, the champion 124 pound wrestler of the world, a reception and benefit.

He has recently returned to this city where he is unusually popular. Already a number of the athletes have offered their services. Davey has never refused to tender his services on like occasions. A hall has been offered gratis for the affair. A swell program will be arranged.

SPECIAL MEETING.

The North End Athletic Association will hold a special meeting, at 2 o'clock, tomorrow afternoon.

WON THREE.

The Norikas and Ultras bowled three games on the Grand alleys, Friday evening, the last named taking all.

The scores:
Norikas: 709, 700, 714.
Ultras: 734, 814, 766.

WILL GO TO CANTON.

The Akrons will go to Canton, Monday evening, to roll three games with the Black Bears of that city.

POOL TOURNAMENT.

King and Rampanelli played Friday evening at the Howard st., parlors, Rampanelli winning by a score of 125 to 58.

KIRKWOOD ITEMS.

The Kirkwood and East End teams met again last night in their weekly adjourned meeting for bowling arguments and averages. The Kirkwoods captured the first game by 182 pins, bowling 887 to the 705 of their opponents. The East Ends took the second game by 20 pins with 807 as opposed to 787 on the opposite side of the ledger. The Kirkwoods in the third game bowled 875 as compared with 780, placing them to the good 357 pins in the three games. It is very evident that nothing but the well known modesty of the Grand bowling team is responsible for their resitency in accepting the advances made relative to a decisive series with the Kirkwoods for the city championship. Irrespective of affiliation all lovers of the game would be gratified and intensely interested in the result if such a meeting could be promptly scheduled.

WON ONE.

The East Ends went to Barberton Thursday night and bowled three games with the Magic City and succeeded in landing one game. This is more than the crack team from the Kirkwood club could do. "Doc" Carter, after hearing the result, decided to try them again. The scores:

Barberton—748, 751, 672.
East Ends—627, 740, 698.

E. A. Place of the East Ends bowled high game—215.

Robert R. Watts of Salem, Mo., writes: "I have been troubled with kidney disease for the last five years and have doctored with all the leading physicians and have tried all remedies suggested without any relief. Finally I tried Foley's Kidney Cure and less than two bottles completely cured me and I am sound and well."

LARGEST

Consignment of Whisky Ever Received in Akron.

Mr. M. J. Murphy of 177 South Howard st., has just received 60 barrels of the celebrated Mogadore whisky, of which 85 per cent. is rye, and 15 per cent. malt. It is all 8-year stock and has just been taken from the bonded warehouse at Mogadore. It is the purest and best distilled. Mr. Murphy intends reserving this whisky, principally, for home and family use, to which trade his goods have always been popular and satisfactory. When pure whisky is desired for medical use, the Mogadore rye has always proven itself reliable and effective.

In addition to this Mr. Murphy will within a few days receive 50 barrels of 8-year-old, sour mash whiskies, of different brands, from Kentucky.

This is the largest consignment of whiskies ever brought to Akron, and the quality is the best and purest distilled.

Cheap Insurance.

Many a man has been insured against Bright's disease, diabetes, or other dangerous ailment by a fifty cent bottle of Foley's Kidney Cure.

CITY

Will be Asked to Lead

In Proposed Crusade Against the Smoke Nuisance.

A meeting of the committee, appointed by Mr. F. E. Flebeger, President of the City Council to investigate the practicability of using smoke consumers in this city, met in the office of the M. O'Neill Co., Friday, Mr. W. L. Carlton was appointed Secretary. Mr. W. C. Parsons, the chairman requested him to correspond with Prof. C. H. Benjamin, of Cleveland, for the purpose of obtaining all the information possible. It was also suggested that he be invited to lecture in Akron for the purpose of informing the members of the City Council, the Board of Education and the business men on the benefits of the smoke consumers. Mr. C. B. Raymond was appointed a committee of one, with the chairman, to present the matter to the Board of Education. It will be suggested that the city should take the initiative in this matter and the Board will be asked to do away with some of the smoke manufactured by school boilers. Another meeting will be held in a short time.

"I had a running sore on my leg for seven years," writes Mrs. Jas. Forest, of Chilpeau Falls, Wis., "and spent hundreds of dollars in trying to get it healed. Two boxes of Banner Salve entirely cured it." No other salve so healing.

FOR CITY HOSPITAL

A Number of Bequests Have Been Willed.

It's a rather harsh expression, but true, nevertheless, that if a number of aged people were to die suddenly, the City hospital would be greatly benefited by their death.

It has been learned that a number of Akron people have made in their wills generous bequests to the hospital. "These will aggregate thousands of dollars," remarked a gentleman to a reporter for the Democrat.

Reports show a greatly increased death rate from throat and lung troubles, due to the prevalence of croup, pneumonia and grip. We advise the use of One Minute Cure in all of these difficulties. It is the only harmless remedy that gives immediate results. Children like it.

WORKING

To Enlarge Barberton.

Have Agreed on a Grade For Streets.

Magic City Bowlers Beat East Enders.

Fined \$2 and Costs—Magic City Notes.

(Special Correspondence.)

Barberton, March 2.—Those interested are steadily working for the admission to Barberton of the territory to the west. The circulators of the petition for the incorporation of Johnston's Corners into the village are prepared to go before the council at the next meeting. They are very hopeful that the measure will be a success.

The owners of much of the land in the other allotments to be taken in, have practically agreed on the work to be done on the streets, and grading and improving will soon be begun.

Harvey Waterman was arrested last night for intoxication. Mayor McNamara fined him \$2 and costs this morning.

The married People's club held a masquerade party at the home of Dr. and Mrs. L. B. Livermore Thursday evening. The evening was greatly enjoyed.

The Magic City Bowling club defeated the East Ends of Akron, in two out of three games on the Second street alleys, Thursday night. It seems that the Magic City club is practically invincible on its own alleys.

The Tracy club danced Friday evening at Tracy hall. The evening was enjoyed by the large crowd which attended.

Another of the enjoyable dances of the Inn club was held at the Inn last night. A number of out of town guests helped make merry and the dance was highly successful.

Mr. J. W. Patterson, night police at Nashua, Ia., says: "In January I had a very bad cold on my lungs, and used half dozen different cough medicines and prescriptions from two doctors, but grew worse all the time. I finally bought a bottle of Foley's Honey and Tar and after using two-thirds of it, I was entirely cured."
